

Your Company Benefit: Use this panel to provide the benefits your company provides. Explain what sets your business apart from the competition. What makes your business unique and special. It also may be a good spot to include your company history, credentials or your mission statement. If desired, you can add another text block to show your hours of operation, your address and driving directions.

Calling All Creatives

Special Offer: Offer your customers a special promotion or a free quote to entice them to try you. Include an expiration date to create urgency.

Professional, Friendly & Fun

Our staff creates a positive environment where preschool children learn independence and social skills.

Tell Your Story: Use the inside of the brochure to outline your products, services, specialties or include more information about limited time offers, special savings or new items and services. You may want to list out all the items you sell and/or services. Include photos of them too! Simply use the tool bar above to add additional text boxes and to upload your own photos.

Satisfied Customer: Share a comment or testimonial from one of your satisfied customers here. A few short comments will add credibility to your business and help prospective customers feel more secure doing business with you. Or you can use this space to further describe your company's products, services, affiliations?whatever message you want to convey.

Your Guarantee: Provide info about your company's guarantee policy, such as: No matter how large or small your project, we're committed to your satisfaction. If you're not happy with our work, for any reason, we'll do what it takes to make it right.

Special Offer:

Offer your customers a special promotion or a free quote to entice them to try you. Include an expiration date to create urgency.
