

ARTWORK WITH BORDERS

Minimum border thickness must be 1/4 (0.25") thick plus the 1/8 (0.125") bleed for correct print ready artwork. Total border size from the bleed line is 3/8 (0.375"). Border example on the left.

3' x 6' Adhesive Banner

bleed

Artwork that reaches the cutline needs to extend to the edge of the **red line**.

cut line

This is where your artwork will be trimmed.
(Finished size ordered)

safety

All text must be kept within the **blue line**

Please create and submit your file at 1200dpi.
1' = 1" in dimension.

Please delete this guideline before submitting your design to print.
