

4" x 9" rack card

Please make sure that you open or import
template files at 300 DPI.

If your final product requires printing to the edge after trimming, you **must** extend your artwork to the **red** boundary box for proper bleed. Anything in the **red** shaded area will be trimmed off.

Your text should be 1/8" inside the **cut line** on each side, represented by the **blue** safety box.

bleed

Artwork that reaches the
cutline needs to extend to
the edge of the **red line**.

cut line

This is where your artwork
will be trimmed.
(Finished size ordered)

safety

All text must be kept within the
blue line

Please delete this guideline before submitting your design to print.
