5" x 7" panel card

Please make sure that you open or import template files at 300 DPI.

If your final product requires printing to the edge after trimming, you **must** extend your artwork to the **red** boundary box for proper bleed. Anything in the **red** shaded area will be trimmed off.

Your text should be 1/8″ inside the **cut line** on each side, represented by the **blue** safety box.

Please delete this guideline before submitting your design to print.
